Please stop the starvation
of Hens In order to produce
more EGGS - IT saddens me that
this Day with all the modern
Technology and Hardware that
we can produce mass production
of EGGS without the starvation
of Hens - The public does not
Benefit from this process this
Process causes disease and illness
in people - I ask the Dept
of Agriculture Food + Safety + Inspection
Service Stop this practice Before
more Hens are starved and more
people become ill -
